# About Us

Based in Slovenia, Flight has quickly grown from a small startup into an international brand distributed all around the globe with a reputation for blending quality and value with creativity in design. Widely recognized for its innovative Travel Series of ukulele, the company continues to expand its offerings to all levels and demographics of players.

Flight is a company with a young and energetic vibe, a distinct style and an intentional focus on brand image. Its sector leading engagement of social media platforms and tireless work across the Uke community helps to inform all areas of development ensuring that Flight maintains a position of constant improvement, and a source of enjoyment and satisfaction for its customer

# Why Flight?

**Exciting established  
portfolio of products**

**Regular new  
releases**

**Award-winning  
instruments**

**Affordable pricing**

**Custom runs  
available**

**#1 ukulele brand  
on social media**

# A Global Brand

Flight is Europe's fastest growing ukulele brand, represented in more than 30 countries worldwide. We have the largest social media presence in the ukulele industry, a growing roster of exclusive artists and ambassadors, and are trusted by the world's top uke specialists.

Our products are available through hundreds of authorized dealers, and we actively support our retail partners through regular events, meet & greets, and by encouraging our community to shop locally.
